

Hello, my name is Philip Vos. I want to personally thank you for taking time to donate blood. Perhaps you have wondered what happens to your blood once you give it. Well, it is processed, thoroughly tested, and then it makes its way to someone like me. I have chronic leukemia and have required hundreds of transfusions since August of 2006. I depend on it for life, usually every week and sometimes everyday. I am so very grateful to you and others who give it.

There is another blood that everyone must partake of to receive eternal life. It is not merely for this life, but far beyond this life. It is the blood of Christ!

*1 Peter 1:18-19, Forasmuch as ye know that ye were not redeemed with corruptible things, as silver and gold, from your vain conversation received by tradition from your fathers; But with **the precious blood of Christ**, as of a lamb without blemish and without spot*

*Ephesians 1:6-7 To the praise of the glory of his grace, wherein he hath made us accepted in the beloved. In whom we have redemption **through his blood**, the forgiveness of sins, according to the riches of his grace;*

The fact is that because of sin, man is in need of redemption:  
*Romans 6:23 For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.*

Jesus Christ died on the cross, was buried, rose again from the dead and became our propitiation (satisfactory payment for sin).

*Romans 3:24-25 **Being justified freely by his grace through the redemption that is in Christ Jesus: Whom God hath set forth to be a propitiation through faith in his blood, to declare his righteousness for the remission of sins that are past, through the forbearance of God;***

You must receive Christ by faith to be saved. You see, just as it is not enough for me to believe that you gave blood and even that I am grateful for you doing so, I must personally get connected up and receive it before it will do me any good. So it is with the blood of Christ. You must get connected with God through prayer and by faith receive Him as your Lord and Savior in order to be saved.

*Romans 5:8-9 **But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us. Much more then, being now justified by his blood, we shall be saved from wrath through him.***

Thanks again for donating blood. If I can be of any help to you please call me.
